

In a Manner of Speaking

Tuxedomoon

In a manner of speaking, I just want to say
That I could never forget the way
You told me everything
By saying nothing In a manner of speaking, I don't understand
How love in silence becomes reprimand
But the way that I feel about you
Is beyond words Oh, give me the words
Give me the words
That tell me nothing
Oh, give me the words
Give me the words
That tell me everything In a manner of speaking, semantics won't do
In this life that we live, we only make do
And the way that we feel
Might have to be sacrificed So in a manner of speaking, I just want to say
That like you, I should find a way
To tell you everything
By saying nothing Oh, give me the words
Give me the words
That tell me nothing
Oh, give me the words
Give me the words
Give me the words Give me the words
Give me the words
Give me the words
