

Something

[Meghan Linsey](#)

Something in the way he moves
Attracts me like no other lover
Something in the way he woos me
I don't want to leave him now
You know I believe and howSomewhere in his smile, he knows
That I don't need no other lover
Something in his style that shows me
I don't want to leave him now
You know I believe and how
You're asking me will my love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't knowSomething in the way he knows
And all I have to do is think of him
Something in the things he shows me
I don't want to leave him now
You know I believe and howYou're asking me will my love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't know
Something in the way he moves
Attracts me like no other lover
Something in the way he woos me
I don't want to leave him now
You know I believe and howOhhh ohhh ohhh uh
