

# I Will Never Let You Down

Rita Ora

Tell me baby what we're gonna do  
I'll make it easy, got a lot to do  
Watch the sun alight, coming true  
Open the window, let it shine on you  
Cause I've been sick and working all week  
And I've been doing just fine  
You've been tired of watching me  
We've got to have a good time, boy  
You can take it all these faces  
Never keeping it real  
I know exactly how you feel  
When you say you've had enough  
And you might just give it up  
Oh, oh

I will never let you down  
When you feeling lone love  
I'll be what you dreaming of  
Oh, oh

I will never let you down  
Oh, oh

I will never let you down  
Oh, oh

I will never let you down  
There's a million ways to go  
Don't be embarrassed if you lose control  
On the rooftop, now you know  
Your body's frozen and you lost your soul  
Cause I've been sick and working all week  
And I've been doing just fine  
You've been tired of watching me  
We've got to have a good time, boy  
You can take it all these faces  
Never keeping it real  
I know exactly how you feel  
When you say you've had enough  
And you might just give it up  
Oh, oh

I will never let you down  
When you feeling lone love  
I'll be what you dreaming of  
Oh, oh

I will never let you down

Oh, oh  
I will never let you down  
Oh, oh  
I will never let you down  
Let me take you where you never go  
Have a little fun is the only we know  
Let me show you what you never see  
You're not hiding, love, only when you holding me  
When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling lone love  
I'll be what you dreaming of  
Oh, oh  
I will never let you down  
When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling lone love  
I'll be what you dreaming of  
Oh, oh  
I will never let you down
