

Best Trick (feat. Maury) [Dimaro Radio Edit]

DJ Antoine & diMaro

I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
I can't wait another day
Until I see your face again
