

Hello Young Lovers

[Jimmy Durante](#)

Hello, young lovers, whoever you are
I hope your troubles are few
All my good wishes go with you tonight
I've been in love like you You gotta be brave young lovers and follow your star
Be brave, be faithful, be true
Cling very closer to each other tonight
I've been in love like you I know how it feels to have wings on your heels
And to fly down the street in a trance
You fly down the street on a chance that you'll meet
And you meet not really by chance Oh, don't cry young lovers, whatever you do
Don't cry because I'm alone
All of my memories are happy tonight
Oh yes, I've had a love of my own
I've had a love of my own like yours
I've had a love of my own
I've had a love of my own like yours
And I've had a love of my own
