

# The Unforgiven III

## Metallica

How could he know this new dawn's light, would change his life forever?  
Set sail to sea, but pulled off course, by the light of golden treasure  
Was he the one, causing pain, With his careless dreaming?  
Been afraid, always afraid, Of the things he's feeling  
He  
could  
just  
be  
gone  
He  
would just  
sail on  
He'll just sail on  
How can I be lost, If I've got nowhere to go?  
Search for seas of gold, How come it's got so cold?  
How can I be lost, In remembrance I relive.  
And how can I blame you, When it's me I can't forgive?  
These days drift on inside a fog, It's thick and suffocating  
His seeking life outside its hell, Inside  
intoxicating  
He's run aground  
Like his life  
Water much too shallow  
Slipping fast  
Down with his ship  
Fading in the shadows  
Now  
...a...  
castaway  
They've  
all gone  
away  
They've gone away  
How can I be lost, If I've got nowhere to go?  
Search for seas of gold, How come it's got so cold?  
How can I be lost, In remembrance I relive  
And how can I blame you?, When it's me I can't forgive?  
Forgive me  
Forgive me not  
Forgive me  
Forgive me not  
Forgive me  
Forgive me  
Forgive me, why can't I forgive me?  
Set sail to sea, but pulled off course, By the light of golden  
treasure  
How could he know this new dawn's light, Would change his life forever?

How can I be lost, If I've got nowhere to go?  
Search for seas of gold, How come it's got so cold?  
How can I be lost, In remembrance I relive  
So how can I blame you, When it's me I can't forgive?
