

# Again (feat. XXXTENTACION)

Noah Cyrus

You just made the worst mistake  
And you'll regret it, darling  
'Cause once you give and then you take  
You'll end up wanting Was everything hard enough?  
'Cause one day you'll wake up and you'll say I wanna be your lover  
I don't wanna be your friend  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again  
I wanna be your lover  
Baby, I'll hold my breath  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again  
Again, babe  
Again  
Again, babe  
Again  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again Ooh, she's screaming in my head  
Ooh, I left her where I slept  
Somewhere I can't escape  
I'm running from myself  
Somewhere in between in love and broke and I'm in hell Saying, "I wanna be your lover  
I don't wanna be your friend"  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again  
I wanna be your lover  
You'll leave when the clock hits ten  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again  
Again, babe  
Again  
Again, babe  
Again  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again  
Again, babe  
Again  
Again, babe  
Again  
You don't know what you got 'till it's gone my dear  
So tell me that you love me again
