Kung Fu Fighting

Cee-Lo

'Cause everybody Is Kung Fu Fighting Your mind becomes fast As lightning Although the future Is a little bit frightening It's the book of your life That you're writing You're a diamond in the rough A brilliant ball of clay You could be a work of art If you just go all the way Now what would it take to break I believe that you can bend Not only do you have to fight But you have got to win 'Cause everybody Is Kung Fu Fighting Your mind becomes fast As lightning Although the future Is a little bit frightening It's the book of your life That you're writing You are a natural Why is it so hard to see Maybe it's just because You keep on looking at me The journey's a lonely one So much more than we know But sometimes you've got to go Go on and be your own hero 'Cause everybody Is Kung Fu Fighting Your mind becomes fast As lightning Although the future Is a little bit frightening It's the book of your life That you're writing You're a diamond in the rough A brilliant ball of clay You could be a work of art If you just go all the way

Now what would it take to break

I believe that you can bend
Not only do you have to fight
But you have got to win'Cause everybody
Is Kung Fu Fighting
Your mind becomes fast
As lightning
Although the future
Is a little bit frightening
It's the book of your life
That you're writing
