Stay (feat. Mikky Ekko)

Rihanna

All along it was a fever A cold sweat, hot headed believer I threw my hands in the air I said show me something He said, "If you dare come a little closer"Round and around and around and around we go Oh, now tell me, now tell me, now tell me now you knowNot really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stayIt's not much of a life you're living It's not just something you take, it's givenRound and around, and around, and around we go Oh, now tell me, now tell me, now you knowNot really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stayOh, the reason I hold on Oh, 'cause I need this hole goneFunny you're the broken one But I'm the only one who needed saving 'Cause when you never see the light It's hard to know which one of us is caving Not really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stay, stay I want you to stay, oh Song Discussions is protected by U.S. Patent 9401941.
