

I Need a Girl (To Bella)

P. Diddy

Yeah, come on
I need a, I want a I need a girl, to ride, ride, ride I need a girl, to make my wife
I need a girl, who's mine, all mine
I need a girl, in my life Yo, I'm Internationally known, on the microphone
I got it all, but I really need a wife, at home
I don't really like the zone, never spend the night alone
I got a few, you would like to bone, but
chicks that romance, don't tickle my fancy
boning, Tiffany, Nancy, that's not what my plans be
need a girl, that can stand me, raise me a family
go from trips to DeLancy to trips to the Grammy's, cause
most of these girls, be confusing me, I don't know, if they really love me
or they using me, maybe it's the money, or maybe you ain't used to me
cause you was depressed, and now, you abusin' me
that's why, I need me a girl, that be true to me
know bout' the game, and know how it do to me
without a girl, on my side, shit'll ruin me
forget the world, girl it's you and me, now let's ride!
I need a girl, to ride, ride, ride (ride wit' me) I need a girl, to make my wife (I need a girl, that
makes me feel so good,
inside)
I need a girl, who's mine, all mine
I need a girl, in my life (Oh' ride, right here wit' me)
I need a girl, to ride, ride, ride
I need a girl, to be my wife (I need a girl, that makes me feel so good, inside)
nobody else, she's all mine
I need a girl, in my life Yo, yo, I have met a lot of women, in my lifetime
but see, it's not a lot of women, that got the right mind
I done had pretty chicks, wit' all the right features
and hood-rat chicks, that only rock sneakers
cell-phones and beepers, and know how to treat ya'
you break her heart, she'll walk out, and leave ya'
I find a girl, I'm a keep her, cause now I'm getting money
and the game getting deeper, yo' on some real shit
I need somebody, I can chill wit', I need somebody, I can build wit'
I need somebody, I can hold tight, wintertime, and the full-length's
snow-white, anytime, we together, feels so right
you the girl, I been looking for, my whole life
God blessed me, I'm glad I got the insight
because of you girl, now I understand life, I need a girl!
