

Millennium (Radio Edit)

Robbie Williams

We've got stars directing our fate
And we're praying it's not too late
Millennium Some say that we are players
Some say that we are pawns
But we've been makin' money
Since the day that we were born
Got to slow down (slow down)
'Cause we're low down Run around in circles
Live a life of solitude
Until we find ourselves a partner
Someone to relate to
Got to slow down (Slow down)
Before we fall down
We've got stars directing our fate
And we're praying it's not too late
'Cause we know we're falling from grace
Millennium Live for liposuction, detox for your rent
Overdose for Christmas and give it up for Lent My friends are all so cynical
Refuse to keep the faith
We all enjoy the madness
'Cause we know we're gonna fade away We've got stars directing our fate
And we're praying it's not too late
'Cause we know we're falling from grace
Millennium
Come and have a go
If you think you are hard enough
Come and have a go
If you think you are hard enough
Millennium, millennium We've got stars directing our fate
And we're praying it's not too late
'Cause we know we're falling from grace
Millennium
(Sometimes you know) And when we come we always come too late
I often think that we were born to hate
Get up and see the sarcasm in my eyes
And when we come we always come too late
I often think that we were born to hate Get up and see the sarcasm in my eyes
We've got stars directing our fate (Millennium)
And we're praying it's not too late (Millennium)
'Cause we know we're falling from grace (Millennium)
(And we won't stop)
We've got stars directing our fate

And we're praying it's not too late
'Cause we know we're falling from grace
Millennium
