

Secret Love

[Mandy Moore](#)

Once, I had a secret love
That lived within the heart of me
All too soon, my secret love
Became impatient to be free
So I told a friendly star
In ways that dreamers often do
Just how wonderful you are
And why I'm so in love with you
Now I shout it from the highest hill
Even told the golden daffodils
At last, my heart's an open door
And my secret love's no secret anymore
Now I shout it from the highest hill
Even told the golden daffodils
At last, my heart's an open door
And my secret love's no secret anymore
