Someday (feat. Mark Knopfler)

Eric Clapton

I've got to ride That lonesome train My heart is heavy With aches and painI said but someday Someday Baby After a while You will be sorryEveryday My clouds are grey It takes you to roll All those clouds away I said but someday Someday Baby After a while You will be sorryTrouble, trouble Trouble on my mind Trouble, trouble Way down the lineI don't need I don't need no, sympathy So Babe, Babe Don't you, don't you pity meI may be blue I got I don't mind Because I know Way down the line I said someday Someday Baby After a while You will be sorry
