## Lacrimosa

Come a little bit closer  
And hear what I've got to say  
Burning words of anger  
Of hate and desperation  
What if I break the silence?  
What if I do forgive the past?  
I know it might sound funny  
To tell you what I felt  
I mean I really loved you  
It's a shame - my fault - I know  
But why - but why  
Why are you so stupid?  
But why - but why  
Why are you so stupid?  
Fuck you and your killing lies  
I hate your pissing attitude  
Why did you have to go so low  
Trueler - Copycat  
What if I break the silence?  
What if I do forgive the past?  
Sucking like a vampire  
The blood of all your friends  
But sorry, my blood was poisoned  
Now burn in hell  
You killed the love  
You killed the trust  
What if I break the silence  
What if I do forgive the past?
