

# Rooms On Fire

Stevie Nicks

Somewhere out in the back of your mind (somewhere)  
Comes your real life and the life that you know  
It seems like it was the creation of some of those same old things  
It seemed to be the only thing left out in the light She had trusted many  
But been unfamiliar with  
Almost everyone but you Well maybe I'm just thinking that the rooms are all on fire  
Every time that you walk in the room  
Well there is magic all around you, if I do say so myself  
I have known this much longer than I've known you She had trusted many  
And then there would be someone who would enter into her presence  
That she could sense for miles  
She dreamed of her wanton luxury  
And she laughed and she cried and she tried to taunt him  
And he hated  
To be separated  
From that picture, no Well, maybe I'm just thinking that the rooms are all on fire  
Every time that you walk in the room  
Ooh, well there is magic all around you, if I do say so myself  
Well, I have known this much longer than I've known you Long nets of white cloud my memory  
Long nets of white cloud my memory Ooh, there is magic all around you  
Every time you walk in the room Well, maybe I'm just thinking that the rooms are all on fire  
Every time that you walk in the room  
Well there is magic all around you, if I do say so myself  
Well, I have known this much longer than I've known you  
Well, maybe I'm just thinking that the rooms are all on fire  
Every time that you walk in the room  
Well, there is magic all around you, if I do say so myself  
I have known this much longer than I've known you Well, maybe I'm just thinking that the  
rooms are all on fire  
Every time that you walk in the room
