

# Sadness, Pt. II (feat. Anggun)

## Enigma

Procedamus in pace  
in nomine christi, amen  
(let us go forth in peace  
in the name of christ, so be it)  
Cum angelis et pueris,  
fideles inveniamur  
(we shall find the faithful in the  
company of angels and children)  
Attollite portas, principes, vestras  
et elevamini, portae aeternales  
et introibit rex gloriae  
quis est iste rex glorie?  
(lift up ye heads o ye glorious gates,  
and be ye lifted up ye everlasting doors,  
and the king of glory shall come in.  
who is the king of glory?)  
Sade, dis-moi,  
sade, donnes-moi  
(sade tell me  
sade give me)  
Procedamus in pace  
in nomine christi, amen  
(shall we proceed in peace  
in the name of christ, amen)  
Sade, dis-moi  
qu'est-ce que tu vas chercher?  
le bien par le mal  
la vertu par le vice  
sade, dis-moi, pourquoi l'évangile du mal?  
quelle est ta religion, où sont tes fidèles?  
si tu es contre dieu, tu es contre l'homme  
(sade tell me  
what is it that you seek?  
the rightness of wrong  
the virtue of vice  
sade tell me why the gospel of evil?  
what is your religion? where are your faithful?  
if you are against god, you are against man)  
Sade dit moi pourquoi le sang pour le plaisir?  
le plaisir sans l'amour.  
n'y a t'il plus de sentiment dans le culte de l'homme?  
(sade tell me why blood for pleasure?)

pleasure without love?  
is there no longer any feeling in man's faith?)  
Sade, es-tu diabolique ou divin?  
(sade are you diabolical or divine?)

Sade, dis-moi  
hosanna  
sade, donnes-moi  
hosanna  
sade, dis-moi  
hosanna  
sade, donnes-moi  
hosanna  
(sade tell me  
hosanna  
sade give me  
hosanna  
sade tell me  
hosanna  
sade give me  
hosanna)

In nomine christi, amen  
(in the name of christ, amen)
