Zero

Chris Brown

I thought we were great
You took your love back and ran us off track
I counted all the days
'Til you would come back, how stupid was thatNow you're missing what we used to have
Guess the vodka brought the feeling back
I was caught up in the aftermathBut now... if you really wanna know
Ask how many nights I've been thinking of you...
zero, zero
Gave a hundred percent but all I got from you...
zero, zero
I thought you were the one (ayee), then you turn and run (ayee)
Found somebody better, like I never met ya
Ask how many nights I've been thinking of you...
zero, zero
(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)
That's how many fucks I give (oh)Wake up with a dime
Get up to no good, better than you could
Go out, free our minds
Like you never would, never understoodNow you're missing what we used to have
You went creeping around my Instagram
I was caught up in the aftermathBut now... If you really wanna know
Ask how many nights I've been thinking of you...
zero, zero
Gave a hundred percent but all I got from you...
zero, zero
I thought you were the one (ayee), then you turn and run (ayee)
Found somebody better, like I never met ya
Ask how many nights I've been thinking of you...
zero, zero
(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)
That's how many fucks I giveBroke back then but a nigga rich now
Got dollars, got euros, got yen, I got pounds
Zeros, zero
Calling me up cause your bank check bounced
My new chick one hundred, and she got her own dinero
Zeros
