## **Company**

## **Rickie Lee Jones**

I'll remember you too clearly
But I'll survive another day
Conversations to share
When there's no one there

I'll imagine what you'd sayI'll see you in another life now, baby

I'll free you in my dreams

But when I reach across the galaxy

I will miss your company

Company

I'll be looking for company

Look and listen

Through the years

Someday you may hear me

Still crying for companySo now you're going off to live your life

You say we'll meet each other now and then

But we'll never be the same

And I know I'll never have this chance again

No, not like youSo, I'll see you in another life now baby,

I'll free you in my dreams

But when I reach across the galaxy

I will miss your company

Company

I'll be looking for company

Look and listen

Through the years

Someday you may hear me

Still crying for company
