

Canary in a Coalmine

The Police

First to fall over when the atmosphere is less than perfect
Your sensibilities are shaken by the slightest defect
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line
You say you want to spend the winter in Firenze
You're so afraid to catch a dose of influenza
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line
Now if I tell you that you suffer from delusions
You pay your analyst to reach the same conclusions
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line
First to fall over when the atmosphere is less than perfect
Your sensibilities are shaken by the slightest defect
You live your life like a canary in a coalmine
You get so dizzy even walking in a straight line
