

Klein Blue

Sophia Somajo

KLEIN BLUE
let me tell you how I is
like an ocean
a bottomless abyss
of emotion
and where there isn't light
the colors lack
darker than the night
but i'm not all black
ay ay ay ay ay ay ay
it's so deep
ay ay ay ay ay ay
my sea
oh but i got
color
color
color
color
'cause when I hit the light
you see that I'm a klein blue
an electric hue
if you get a better view
of me of me
when I hit the light
you see that I'm a klein blue
and I shine through
don't I shine through
to you to you
if I hit the light
ain't I pretty?
let me tell you how I is
like a waterfall
violent, blue and crisp
I am beautiful
ay ay ay ay ay ay ay
it's so deep
ay ay ay ay ay ay
my sea
oh but i got
color
color
color

color
'cause when I hit the light
you see that I'm a klein blue
an electric hue
if you get a better view
of me of me
when I hit the light
you see that I'm a klein blue
and I shine through
don't I shine through
to you to you
if I hit the light
ain't I pretty?
