

# Numb (feat. Angel Haze)

Nick Jonas

This is so dumb  
This is so bad  
Gotta be numb, to miss you like that  
Lifting me up  
Lettin' me fall  
Fuck with my head like it's nothing at all  
You were my sun  
You were my Earth I was your best  
And you were my worst  
Breakin' my heart one piece at a time  
Well, here's a piece of my mind, yeah  
You don't know what it is you do to me  
Yeah, you stole my heart  
And all I have is a hole where it used to be  
And the hardest part  
Now you got some substitute for me But he's not the one  
You don't know what it is you do to me  
Yeah, you leave me  
Numb  
Yeah, you leave me  
Numb  
Numb  
Losing my mind Losing control  
Swallow my pride  
You swallow me whole  
Smile on my face, to cover my hurt  
Spent so much time, but what was that worth  
I'm broke and I'm blind  
I'm taping it up  
Flaws in my head, mistaken for love  
Nails in my back, they don't mean a thing They ain't yours  
They ain't yours  
You don't know what it is you do to me  
Yeah, you stole my heart  
And all I have is a hole where it used to be  
And the hardest part  
Now you got some substitute for me  
But he's not the one  
You don't know what it is you do to me  
Yeah, you leave me  
Numb  
Numb

Yeah you leave me  
NumbNumb  
Yeah, you leave me  
I got trapped off in a blackbox lived on a matchbox in your rage  
You said we are merely players who still act off of this stage  
I kept begging you to stay like baby please don't leave me  
Know you don't like fall but what's one more season?  
And I dream on, you gettin' your plot and your scheme on  
And I just be here with my theme songHe love me, he love me (no he don't)  
Cause you make me feel like the night before Christmas  
Love is a crime and I'm stuck in your prison  
Far as you want, baby I'll go the distance  
If you're numb and I'm numb then what is we feelin'?  
You don't know what it is you do to me  
Yeah, you stole my heart  
And all I have is a hole where it used to be  
And the hardest part  
Now you got some substitute for me  
But he's not the one  
You don't know what it is you do to me  
Yeah, you leave me  
Numb  
Numb  
Yeah you leave me  
Numb  
Numb  
Yeah, you leave me  
Numb
