

# From Now On

## Zac Brown Band

[Verse 1]

I saw the sun begin to dim  
And felt that winter wind blow cold  
A man learns who is there for him  
When the glitter fades and the walls won't hold  
'Cause from then, rubble  
What remains can only be what's true  
It's more I've lost, the more I've gained  
'Cause it led me back to you[Chorus]  
And from now on, these eyes will not be blinded by the lights  
From now on, what's waited 'til tomorrow starts tonight  
Tonight, let this promise in me start like an anthem in my heart  
From now on, from now on

[Verse 2]

I drank champagne with kings and queens  
The politicians praised my name  
But those are someone else's dreams  
The pitfalls of the man I became  
For years and years, I chased their cheers  
At the crazy speed of always needing more  
But when I stop and see you here  
I remember who all this was for[Chorus]  
And from now on, these eyes will not be blinded by the lights  
From now on, what's waited 'til tomorrow starts tonight  
Tonight, let this promise in me start like an anthem in my heart  
From now on, from now on, from now on

[Bridge]

And we will come back home  
And we will come back home, home again  
And we will come back home  
And we will come back home, home again  
And we will come back home  
And we will come back home, home again[Chorus]  
From now on, these eyes will not be blinded by the lights  
From now on, what's waited 'til tomorrow starts tonight  
And let this promise in me start like an anthem in my heart  
From now on, from now on, from now on[Outro]  
And we will come back home  
And we will come back home, home again  
And we will come back home  
And we will come back home, home again  
And we will come back home

From now on, from now on, home again
