

# Goodbye

## [Archive](#)

I'm thinking of you  
In my sleep  
They're not good thoughts  
The worst kind of sad  
I've noticed things  
Cannot be repaired  
When I wake up  
I'll be in despair Cause I know I've got to say  
I know I've got to say  
Goodbye  
Baby goodbye  
Goodbye  
Baby goodbye  
You're my sweetheart  
Goodbye  
You're my sweetest Goodbye I know I'm gonna look  
So so so so bad  
But there's no easier way  
For me to have to walk away  
But I don't wanna hear this no more  
And I don't wanna feel this no more And I don't wanna see this no more  
And I don't wanna experience this no more  
Cause I know I've got to say  
I know I've got to say  
Goodbye  
Baby goodbye  
Goodbye  
Baby goodbye  
You're my sweetheart  
Goodbye  
You're my sweetest  
Goodbye  
Goodbye  
Goodbye  
Goodbye  
(you're my sweetest)  
Goodbye  
(you're my sweetest)  
Goodbye  
(you're my sweetest)  
Goodbye  
(you're my sweetest)

Goodbye  
(you're my sweetest)
