

Take Me to the World (with Antonio Banderas)

Barbra Streisand

Let me see the world with clouds
Take me to the world
Out where I can push through crowds
Take me to the world A world that smiles
With streets instead of aisles
Where I can walk for miles with you Take me to the world that's real
Show me how it's done
Teach me how to laugh, to feel
Move me to the sun Just hold my hand whenever we arrive
Take me to a world where I can be alive HIM: The world is better here. I know I've seen them
both. Let me see the world that smiles
HIM: A poet doesn't count for much out there
Take me to the world
HIM: We'd be cold and hungry in the winter
Somewhere I can walk for miles
HIM: A shabby room with cracked plaster
Take me to the world
HIM: You couldn't get a job
With all around things growing in the ground HIM: We'd end up hating each other.
We'd have fights. You'd cry.
Where birds that make a sound are birds
Let me see the world that's real HIM: I have seen the world
Show me how it's done
HIM: And it's mean and ugly
Teach me how to laugh, to feel
HIM: We could laugh together
Move me to the sun
HIM: Stay here with me
Just hold my hand whenever we arrive
HIM: Stay here. I love you. But we're happy here
Let it be a world with you
HIM: Stay with me
Any other world with you
Take me to a world where I can be alive (Antonio Banderas:)
Do you want the world?
Well then, you shall have the world
Ask me for the world again
You shall have the world A world of skies
That's bursting with surprise
To open up your eyes for joy We shall see the world come true
We shall have the world
I won't be afraid with you

We shall have the world
You'll hold my hand and know you're not alone You shall have the world to keep
Such a lovely world you'll weep
We shall have the world forever for our own
