

I Want You Back

*NSYNC

You're all I ever wanted
You're all I ever needed, yeah
So tell me what to do now
'Cause I-- I want you back It's hard to say I'm sorry
It's hard to make the things I did undone
A lesson I've learned too well for sure
So don't hang up the phone now
I'm trying to figure out just what to do
I'm going crazy without you You're all I ever wanted
You're all I ever needed, yeah
So tell me what to do now
When I want you back
Baby I remember
The way you used to look at me and say
Promises never last forever
I told you not to worry
I said that everything would be alright
I didn't know then that you were right You're all I ever wanted (baby)
You're all I ever needed (yeah)
So tell me what to do now
When I want you back I want you back, yeah You're the one I want
You're the one I need
Girl, what can I do? You're the I want
You're the one I need
Tell me what to do now
You're all I ever wanted (You're the I want)
You're all I ever needed (You're the one I need)
So tell me what to do now
When I want you back
