Again

Lenny Kravitz

I've been searching for you I heard a cry within my soul I've never had a yearning quite like this before Now that you are walking right through my doorAll of my life Where have you been I wonder if I'll ever see you again And if that day comes I know we could win I wonder if I'll ever see you againA sacred gift of heaven For better worse wherever And I would never let somebody break you down. Until you cried... never All of my life Where have you been I wonder if I'll ever see you again And if that day comes I know we could win I wonder if I'll ever see you againAt every time, I've always known That you where there, upon your throne A lonely queen, without her king I longed for you, my love foreverAll of my life Where have you been I wonder if I'll ever see you again And if that day comes I know we could win I wonder if I'll ever see you again All of my life Where have you been I wonder if I'll ever see you again And if that day comes I know we could win I wonder if I'll ever see you againAll of my life Where have you been I wonder if I'll ever see you again And if that day comes I know we could win I wonder if I'll ever see you again I wonder if I'll ever see you again
