Come Fly With Me

Frank Sinatra

Come fly with me, let's fly, let's fly away
If you could use some exotic booze
There's a bar in far Bombay

Come fly with me, let's fly, let's fly awayCome fly with me, let's float down to Peru

In llama-land there's a one-man band

And he'll toot his flute for you

Come on fly with me, let's take off in the blueOnce I get you up there

Where the air is rarefied

We'll just glide

Starry-eyed

Once I get you up there

I'll be holding you so near

You may hear

all Angels cheer, 'cause we're together

Weather-wise, it's such a lovely day

Just say the words and we'll beat the birds

Back to Acapulco Bay

It is perfect for a flying honeymoon, they say

Come fly with me, let's fly, let's fly away

Once I get you up there

Where the air is rarefied

We'll just glide

Starry-eyed

Once I get you up there

I'll be holding you so very near

You mite even hear

a hole gang cheer, 'cause we're together

Weather-wise, it's such a Co co day

If you say those words, and we'll take the t birds

Back to Acapulco Bay

It is perfect for a flying honeymoon, they babe

Come fly with me, let's fly

Pack up, let's fly away
