The Future

Lil Bow Wow

I'm off the chains I'm off the chains Yeah I'm off the chainsHave you ever seen me, I'm the future I represent how it's gone be, I'm the future Born in 1987, I'm the future Party people get ready, it's the future I dont know about y'all But I know about me And when I think about the future I'm all you see Cuz I am the future I'm somethin your not I'm just right with the block Every jam that I make Gotta go knock, knock The biggest thang since hugo You know y'all cats do a whole lot do mo believe me I'm loose now running at full speed Like the juice now like back in '73' Ya heard of me Had to I'm that lil bad dude Runnin around puttin it down with JD I'm the A in the hit I'm the prince of the click What you think keep makin shorty have them fits It's the b capital O-W Wow Like Moe Dee how you like me now Tryna do it real big like Chris an nem But if this thing dont work i'm above the rim Between the legs and behind the back Yeah i'm small but I got that Now tell me (R.O.C.) Now look up ahead dats me Far beyond the flow is gone come on You know the kid is crazy Like Britney Spears And I'm in the prime of my years oh yeah I know what pops up in ya head first is (wait a minute) How he keep coming up with verses (uh huh) Well i'm gonna tell ya something and don't get nervous (allright) My secret is I'm doing this on purpose(Why)

To get a billion copies purchased If your style is sick (well) Mine is allergic My rhymes in the beat merges like interstate traffic(ooh mybad) It's just a habit I flows it I know it'll probably illegal Before the o's before you Even close to being the COR Even backwards I'm hard And I give my regards But I aint rapping with y'all I'm a year after tomorrowYou can't see me I'm the future I represent how it's gone be I'm the future Born in '79' I'm the future Party people get ready It's the future Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
