

Dunkelheit

Burzum

When night falls
She cloaks the world
In impenetrable darkness

...

A chill rises

...

From the soil
And contaminates the air

...

Suddenly...
Life has new meaning

...

When night falls
She cloaks the world
In impenetrable darkness

A chill rises

From the soil
And contaminates the air

...

When night falls
She cloaks the world
In impenetrable darkness

A chill rises

From the soil
And contaminates the air

Suddenly...

Life has new meaning

...

Life has new meaning
