

Intruders

Exciter

Fighters, igniters
A storm of intruders
Defenders are chosen
To fight off soldiers of venom
Intruders live - cast in stone
Intruders die - Forgotten souls
Atomic, barbaric
Break down the fears of terror
Evil dementors
Send a message of power
Intruders live - cast in stone
Intruders die - Forgotten souls
(SOLO)
Atrocities, injustice
Break down screaming killers
Danger awaits us
Beware of human sacrifice
Intruders live - cast in stone
Intruders die - Forgotten souls
