

# Same I Ah One (feat. Pressure)

## Midnite

To sing out with an idren in song  
To introspect from humane reasons After all is said and all is done  
Same I ah one  
Same world reaction to hate and to love  
Same I ah one  
Mek dem si it when the lion have the fire up inna dub  
Seeking balance  
Same I ah one  
I and I a one!  
There's a natural mystic in the earth, that's what they really don't know  
Spiritual uprising in di people with a burning glow  
Confidence in di victory over evil in this Armagiddion  
IT'S A COLD WORLD, BUT DI WHOLE WORLD HAFFI WITNESS AFRIKAN  
REDEMPTION! After all is said and all is done  
Same I ah one  
Same world reaction to hate and to love  
Same I ah one  
Mek dem si it when the lion have the fire up inna dub  
Seeking balance  
Same I ah one  
I and I one!  
This is a Haile salutation to the all the world nation  
FAILURE FI OVERSTAND SEEM ON DI BRINK OF DEVASTATION  
World need redemption -  
A sound mediation  
Medication, mediation  
Fi bring more balanced stands and rest in all di lands  
BEFORE NUCLEAR PRETENSE WAS NUCLEAR ASPIRATION  
Di root of the thought as a method of deterrence, but with adverse results, all to encourage all  
the strong  
AND THE POSITIVE AND THE NEGATIVE AND THE NEUTRAL MARCH ALONG  
AND THE ONE THREAD OF I-MANITY RUN THROUGH EVERYONE  
WORLD NEED SOME CONSCIENCE TO BE FAIR TO WOMAN  
JUST WATCH YUH FAMILY AND REGARD DEM AS ONE  
Same I ah one  
Same I ah one  
Same I ah one -Oppressing di poor -  
We caan tek it no more  
I am sure that unity will bring us back to di core  
Like before, when we were one, like di sea and di shore  
What is yours is not for me, I've got my own to adore  
Where's the love in the town?

WHERE'S THE JOY INNA FROWN?  
 You're a king, where's your crown?  
 EVERY WORD CARRY SOUND You waan fi si di world, watch how our nation play  
 Likkle boy and girl, what diplomacy say  
 Look how 70, 000 gymnasts in asymmetrical say  
 Blessing coming through dem working on their inity  
 Like a drop inna di flow of di ocean sway  
 We sway and -  
 We stay as one Seeking balance  
 Same I ah one  
 I and I ah one Think of everyting you hold inna sentimentality  
 How your love and care dem inna yuh frequency  
 Get together and provide fi our banquet-be  
 MEK DEM AUSTERITY MEASURES FIND A LENIENCY  
 As wi gather the mass a people inna di ghetto, plenty  
 When dem find means of a measure with the aristocracy -  
 As one  
 We stay, as one After all is said and all is done  
 Same I ah one  
 Same world reaction to hate and to love  
 Same I ah one  
 Mek dem si it when the lion have the fire up inna dub  
 Seeking balance  
 Same I ah one  
 I and I one!
