Dare You (Radio Edit)

Hardwell & Matthew Koma

We're a million lonely people All together on this needle in the sky Afraid of heights And your dreams were made illegal We call life, but not tonightI dare you to love I dare you to cry I dare you to run I dare you to try I dare you to fall And lay on the ground I dare you to feel I dare you to be here nowYou're an outline of a vision That you had when we were children Yesterday You watch it fade Let your heart be your religion Let it break you out of this prison You became It's not too lateI dare you to love I dare you to cry I dare you to run I dare you to try I dare you to fall And lay on the ground I dare you to feel I dare you to be here nowI dare you I dare you
