

# Just As I Am (feat. Prince Royce & Chris Brown)

## Spiff TV

The union, Spiff TV  
They gon' ask, I'ma tell them yeah  
Yeah I did it  
C Breezy, RoyceLove, escucha lo que voy a decir  
Nada me importa, solo tenerte junto a mí And when you're not with me you're in my heart  
No matter the distance, I'm never too far from where you are  
Prometo estar desde hoy, I can  
Siempre a tu lado no importa la razón  
Y donde quiera que voy, viajas en mi corazón  
Come to me as you are  
Accept me just as I am  
So no one would have to change for nobody  
From the ground that I stand  
I'll give you all that I can  
With everything that I am  
I promise you that I can  
Acéptame como soy Love, you gotta feel me when I say, nothing else matters  
I wanna please you every day  
Eres para mí, oh  
Y yo soy para ti Prometo estar desde hoy, I can  
Siempre a tu lado no importa la razón  
Y donde quiera que voy, viajas en mi corazón  
Come to me as you are  
Accept me just as I am  
So no one would have to change for nobody  
From the ground that I stand  
I'll give you all that I can  
With everything that I am  
I promise you that I can  
Si te vas puedo morir  
I promise you that I can  
Hago lo que sea por tu amor, I can  
The only thing you desire in a man I want you, girl  
Estoy solo sin ti  
I want you, girl  
Tú eres mi vida  
You haunt my world  
No puedo vivir sin ti  
Your love is all I need Prometo estar desde hoy  
Siempre a tu lado no importa la razón

I'll do whatever I can, viajas en mi corazón  
Come to me as you are Accept me just as I am  
So no one would have to change for nobody  
From the ground that I stand  
I'll give you all that I can  
With everything that I am  
I promise you that I can  
Acéptame como soy
