

# Everybody

Keith Urban

So here you are now, nowhere to turn  
It's just the same old yesterday  
You made a promise to yourself  
That you were never gonna be this way  
And the only thing that you've ever known is to run  
So you keep on driving faster into the sun Cause everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes Don't have to find your own way out  
You've got a voice, let it be heard  
Just when it feels you're on a dead end road  
There's always somewhere left to turn  
So don't give up now  
You're so close to a brand new day  
Yes, you are  
And if you just can bear to be alone  
Then I'll stay Cause everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes Well, maybe I been too caught up to see  
What you've been going through and all that I can say is Oooo, yeah  
And everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes  
Everybody needs somebody sometimes  
A little left to save  
Everybody needs somebody sometimes  
Gotta have someone beside you  
Gotta have someone beside you  
Yes, ya do, yes, ya do  
Everybody, everybody needs somebody sometimes
