

# Places (feat. Ina Wroldsen)

[Martin Solveig](#)

I come back to the places where we found us  
Where somewhere between our bad lust  
And I could go anywhere, anywhere is home  
Yeah I could go anywhere, never feel alone  
I come back to the places where we found us, yeah  
When I'm not with you, I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do, it's not me  
When I'm not with you, I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do, it's not me  
When I'm not with you  
When I'm not with you, it's not me  
When I'm not with you  
I come back to the places where we found us  
I come back, I come back  
I'm not me, I'm not me, no  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do, it's not me  
When I'm not with you, I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do, it's not me, no no no  
When I'm not with you  
When I'm not with you, it's not me  
When I'm not with you  
When I'm not with, I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do  
(I'm not in control of what I do)  
When I'm not with you, it's not me  
When I'm not with you
