

# Funny Business

## Alice Merton

No funny business  
No funny business Trust me  
Trust me when I say that I was innocent  
Trust m  
He'd only stay 'cause we were just listening  
Yeah, we were just listening And I know what you think  
I know you're scared I find someone else  
And I know what you think  
That I'm being paid for a little beyond there  
And you will be torn in two  
Well I've got some news for you  
I don't break hearts  
I don't do funny business  
I just ride cars and watch them get hung up in it  
I don't break hearts  
I don't do funny business  
I just ride in cars and watch them get hung up in it Watch them get hung up in it  
Watch them get hung up in it Trust me  
My word is good and I swear no one else's  
Trust me  
I got the loyalty, I've learned my lessons  
Yeah, I've learned my lessons And I know what you think  
I know you're scared I find someone else  
And I know what you think  
That I'm being paid for a little beyond there  
And you will be torn in two  
Well I've got some news for you  
I don't break hearts  
I don't do funny business  
I just ride cars and watch them get hung up in it  
I don't break hearts  
I don't do funny business  
I just ride in cars and watch them get hung up in it If you think about it, will the lightning strike?  
If you think about it, hope you realize  
If you think about it, will the lightning strike?  
If you think about it, hope you realize I don't play cards  
I don't do funny business  
I just ride cars and watch them get hung up in it  
I don't break hearts  
I don't do funny business  
I just ride cars and watch them get hung up in it Watch them get hung up in it  
Watch them get hung up in it

Watch them get hung up in it I don't break hearts  
I don't do funny business  
I just ride cars and watch them get hung up in it  
I don't break hearts  
I don't do funny business  
I just ride in cars and watch them get hung up in it
