

# Thank You (feat. Singuila)

## Jamelia

Thankyouoh oh no oh yea yea(Verse 1:)

The fights, those nights

I tried to pretend it don't hurt

The way, I prayed

Someday that you would love me

Really, completely

Just how I wanted it to be

But no, so wrong

Can't believe I stayed with you so long(B-Chorus:)

You hit, you spit, you split, ever-y bit of me, yeah

You stole, you broke, you're cold

You're such a joke to me, yeah

(Chorus:)

For every last bruise you gave me

For every time I sat in tears

For the million ways you hurt me

I just wanna tell you this

You broke my world, made me strong

Thank you

Messed up my dreams, made me strong

Thank you(Verse 2:)

My head, near dead

Just the way you want it

My soul, stone cold

Cos I was under you're control

So young, so dumb

Knew just how to make me succum

But I un-derstand

To make yourself feel like a man

(B-Chorus:)

You hit, you spit, you split, ever-y bit of me, yeah

You stole, you broke, you're cold

You're such a joke to me, yeah

thankyou(Chorus:)

For every last bruise you gave me

For every time I sat in tears

For the million ways you hurt me

I just wanna tell you this

You broke my world, made me strong

Thank you

Messed up my dreams, made me strong

Thank you(Middle eight:)

You coulda had it all babe  
It coulda been so right (so right)  
I woulda given you everything (everything)  
Morning through night  
Yeah, you taught me some lessons (lessons)  
Those are my blessings (blessings)  
That wont happen again (again)  
Thank you(chorus till end)
