

James Dean

JR JR

Staring at a cigarette
I tried to quit
but haven't yet
in the moonlight
in a freezing house
put on the record
you've been all about
Ah na na naaaaaaaaa
it's all I wanna be
and I've been acting a fool
I've been feeling like
good times just don't last
got me screaming out
Ooh ooh look at me now
Ah na na naaaaaaaaa
all I wanna be
is to be cool like James Dean.

...

I'm not dumb
but I've wasted time
a hundred projects
none of them were mine
suit-case half unpacked
the internet won't ever love you back
Ah na na naaaaaaaaa
all I wanna be
and I've been acting a fool
I've been feeling like
good times just don't last
got me screaming out
Ooh oh look at me now
Ah na na naaaaaaaaa
all I wanna be
is to be cool like James Dean.

I've been acting a fool
I've been feeling like
good times just don't last
got me screaming out
ooh oh look at me now
Ah na na naaaaaaaaa
all I wanna be

is to be cool like James Dean.
