

Strangers Like Me (From "Tarzan")

Phil Collins

Whatever you do, I'll do it too
Show me everything and tell me how
It all means something
And yet nothing to me...I can see there's so much to learn
It's all so close and yet so far
I see myself as people see me
Oh, I just know there's something bigger out there... oh.I wanna know, can you show me
I wanna know about these strangers like me.
Tell me more, please show me
Somethings familiar about these strangers like me
Every gesture, every move that she makes
Makes me feel like never before
Why do I have
This growing need to be beside herOh, these emotions I never knew
Of some other world far beyond this place
Beyond the trees, above the clouds
Oh, I see before me a new horizonI wanna know, can you show me
I wanna know about these strangers like me
Tell me more, please show me
Somethings familiar about these strangers like meCome with me now to see my world
Where there's beauty beyond your dreams
Can you feel the things I feel
Right now, with you...
Take my hand
There's a world I need to knowI wanna know, can you show me
I wanna know about these strangers like me
Tell me more, please show me
Somethings familiar about these strangers like meI wanna know
