

# Willy Wonka (feat. Offset)

## Macklemore

R.I.P. Willy Wonka, watch the roof come off  
I pull up in that candy paint, call it Veruca Salt  
You cheated and you lied, you broke the rules, my dog  
Now you wanna come around when there's food involved  
Hell no  
Let the truth be told, I'm in a Gucci robe  
With the dookie roll, and Lil Boosie on  
I'm eating sushi rolls, doin' the tootsie rolls  
Thinkin' about future goals, hater what'chu been on?  
I'm in a neutral zone, I'm 'bout to lose control  
And I'm hoppin' out, you'd think it's Rick Ross  
I'm pulling out in that Maybach  
And I copped that from the thrift shop  
When my daughter's singing "Hakuna Matata"  
While they hooting and hollering  
I'm maneuverin' nothin' Budapest  
Got my baby mama and duckin' the out at the IRS been callin'  
Tryna get into my wallet, but they ain't gettin' all of it  
I put my feet up on the ottoman that I ought to be relaxin' (relax)  
'Cause I'm just 'bout that action boss, b-b-bout that action boss  
I'm a motherfuckin' icon, boots made of python  
I met with the Pres and I'm in Obama's iPod  
My front yard got all kinds of cars  
Long Cadi', blue body, call it Avatar  
I don't really fuck with the caviar  
6 figures get your 16 Wonka bars, give me that  
Willy Wonka flavor (Willy Wonka)  
Willy Wonka been had haters (Hey)  
Willy Wonka live on acres (Acres)
