

# Utopia

## Alanis Morissette

We'd gather around all in a room,  
Fasten our belts engage in dialogue.  
We'd all slow down rest without guilt,  
Not lie without fear disagree sans judgement. We would stay and respond and expand and  
include  
And allow and forgive and enjoy and evolve  
And discern and inquire and accept and admit  
And divulge and open and reach out and speak up...chorus:  
This is utopia, this is my utopia,  
This is my ideal: my end in sight.  
Utopia, this is my utopia,  
This is my Nirvana: my ultimate.  
We'd open our arms.  
We'd all jump in.  
We'd all coast down  
Into safety nets. We would share and listen and support and welcome,  
Be propelled by passion, not invest in outcomes,  
We would breathe and be charmed and amused by difference,  
Be gentle and make room for every emotion...chorus We'd provide forums.  
We'd all speak out.  
We'd all be heard.  
We'd all feel seen.  
We'd rise post-obstacle, more defined, more grateful,  
We would heal be humbled and be unstoppable,  
We'd hold close and let go and know when to do which,  
We'd release and disarm and stand up and feel safe...chorus
