

Sam

Olivia Newton-John

Sam
Olivia Newton-John
(John Farrar/Hank Marvin/Don Black)
I heard that you're on your own now
So am I
I'm living alone now
I was wrong
So were you
What will you do? Are you glad to be free?
Are you feeling lost just like me?
Longing for company
Oh Sam, Sam, you know where I am
Come around and talk awhile
I need your smile
You need a shoulder
Oh Sam, Sam, you know where I am
And the door is open wide Come on inside
Longing to see you
Oh Sam, Sam, you know where I am
I find the days hard to face now
Empty rooms
There's much too much space now And the nights go so slow
I'm sure you know Wish I knew what to do
It would be so nice seeing you
And it might help you too
Oh Sam, Sam, you know where I am
Come around and talk awhile
I need your smile You need a shoulder
Oh Sam, Sam, you know where I am
And the door is open wide
Come on inside
Longing to see you
Oh Sam, Sam, you know where I am
Oh Sam, you know where I am
Oh Sam, ooh Sam
You know, you know
You know where I am
