## Let's Get Blown

## **Snoop Dogg**

Yes sirCan I get more thrills?
You know you want some more girl, so come on
Can I get more thrills?

You know you want some more girl, so come on Let's get blown, let's get blownLooking at the ladies, all of them fly

I don't know which one I want dawn

I can't make up my mind, girl

So won't you make it easy on me

And take this drink, then hit this weed?

Two step wit me, let's slip to the dance floor

On and on and on we go

I'll dip you if you want me to

You see I really wanna get a little front wit you, bigidy bump wit you

A nigga wanna hump you and then just comfort you

And then I'll pop the top and lay you on the cot

And get you nice and hot

Yeah yeah, it's all to the real

We could do it like guy, c'mon girl let's chillCan I get more thrills?

You know you want some more girl, so come on

Can I get more thrills?

You know you want some more girl, so come on

Let's get blown, let's get blownNow you can fly the friendly skies

With the S-N double O-P D-O double G-Y

Now don't ask why, just keep looking good in the hood

Damn girl, you so fly, we could do what you want to

You say you drink Alize or was is Malibu?

It don't really matter though

You remind me of the time when I had a ho

She kept telling me Doggy Dogg I gotta go

So I let her get in the wind and co-macked her friend

2 plus 2, it equals 4, this is some shit that could last forever more

I'm trying to put my bid in, naw I'm just kidding

Come on ma get in, and don't ask where we going

Pimping and hoeing, drink pouring and weed blowing

You know it c'monCan I get more thrills?

You know you want some more girl, so come on

Can I get more thrills?

You know you want some more girl, so come on

Let's get blown, let's get blownI've been looking at you, from the corner of my eyes

Checking out your hips, lips, tits and your thighs

I've been wanting to do you for a mighty long time

You make a pimp wanna sing I, I, IWe'll head to the hills, your dreams I'll fulfill

We could do it how you want 'cause I'm oh so real Tell me you, naw I won't squeal You wit Da Big Boss Dogg so seal the deal Pharrell got the Baby face and Dogg got the Whip Appeal So name the place This love I bring to you, on the real baby girl Won't you do me a favor and sing for Snoop? Can I get more thrills? You know you want some more girl, so come on Can I get more thrills? You know you want some more girl, so come on Let's get blown, let's get blownYou know you want it (If I got it I'm a give it to you) So come and get it!
