

# Want and Able

Jack White

Who is the who, telling who what to do?  
Who is the who, telling who what to do?  
Who is the who, telling who what to do?  
Tell me who, tell me who, tell me who Well, Want and Able were crossing the road  
Want had a feeling there was something he was owed  
But Able broke it to him that there's a social code  
So walk straight down the middle now and do what we're told  
Walk straight down the middle now and do what we're told  
Who is the who, telling who what to do?  
Who is the who, telling who what to do?  
Who is the who, telling who what to do?  
Tell me who, tell me who, tell me who Want said that didn't feel so good  
To never be fulfilled, forever stressed out and impatient  
Always saying, "Just over the next hill"  
Always saying, "Just over the next hill" Who is the who, telling who what to do?  
Being able is to freedom what wanting is to cruel  
It's hard to tell it seems, which one of them's the fool  
Is freedom a gift, that we only give to the ones that say "I love you"? Who is the who, telling  
who what to do?  
Who is the who, telling who what to do?  
Who is the who, telling who what to do?  
Tell me who, tell me who, tell me who  
Now, Want and Able are two different things  
One is desire, and the other is the means  
Like I wanna hold you, and see you, and feel you in my dreams  
But that's not possible, something simply will not let me
