Petite Noir

[Verse 1: ?]

[?]

Is this all a dream now?

Is this all a dream or is it all in my head?

The Xanax put me to bed

It's like Inception I swear

But we have nothin' to fear

This is the final dance[Chorus]

If this life is worth living

I hope you hear about me

My family loves givin'

So won't you set me free

'Cause I just reached my limit

I don't wanna let go

'Cause I just wanna let go

[Verse 2: Danny Brown]

Let's talk about life

Gotta take chances, gotta think twice

Imma grab that plate and a knife

Imma show you right now, gotta sacrifice

Let's talk about death

What, what tomorrow bring?

When a angel strike that's it

Gonna have my face on that [?]

Never fret, my way, and no nigga stop my grind

[?]

That's why I wait I be [?]

Not these show-lights [?]

[?] I'm gon' make it

Swear I'm in a great shit, [hell like ?] Vegas

Asian persuasion, Miss Caucasian

We're lacking vision
Before my [?]
Ready for a day[Chorus: ?]

My family loves givin'
So won't you set me free
'Cause I just reached my limit
I don't wanna let go
'Cause I just wanna let goIf this life is worth living
I hope you hear about me
My family loves givin'
