

Put That On Everything

Brandy

CHORUS:

If you're looking to find
A love that will stand till
The end of time
Baby relax your mind, my love is here
Hey yeah
I'll do everything I swear
I'll take the pain and the hurt
You won't know it's there
Once will be nothing
I'll put that on everything
I will pull a star out of the sky for you
Yes I would
To the edge of the earth
I'll go to see you
Yes, it's true

If you're anywhere and I'm not there
Just think one thought of love
And I'll appear oh baby

CHORUS:
If you're looking to find
A love that will stand till
The end of time
Baby relax your mind, my love is here
Hey yeah
I'll do everything I swear
I'll take the pain and the hurt
You won't know it's there
Once will be nothing
I'll put that on everything
Before I dream
I lay and think of you everynight
Honest to God
I'm tellin' you the truth, oh yeah
I wish you could see

How much your presence means to me
You will love me so much
More each day, oh

BRIDGE:

I'll walk with you
Through the desert heat
I'll climb the mountains' highest peak
I'll swim forever in the deepest sea, oh
Just for you this song I sing

For all the love and joy you bring
For you I'll try
To do the impossible things
I'll put that on everythingCHORUS:
If you're looking to find
A love that will stand till
The end of time
Baby relax your mind, my love is here
