## True

## **Cary Brothers**

So true funny how it seems Always in time, but never in line for dreams Head over heels when toe to toe This is the sound of my soul This is the soundI bought a ticket to the world But now I've come back again Why do I find it hard to write the next line? Oh, I want the truth to be saidI know this much is true I know this much is trueWith a thrill in my head and a pill on my tongue Dissolve the nerves that have just begun Listening to Marvin all night long This is the sound of my soul This is the sound Always slipping from my hands Sand's a time of it's own Take your seaside arms and write the next line Oh, I want the truth to be knownI know this much is true I know this much is trueI bought a ticket to the world But now I've come back again Why do I find it hard to write the next line? Oh, I want the truth to be saidI know this much is true I know this much is true I know, I know, I know this much is true This much is true This much is trueThis much is true This much is true I know, I know, I know this much is true This much is true This much is trueThis much is true This much is true This much is true This much is true I know this much is true This much is true This much is true Come on, come on, yeahThis much is true This much is true Oh I say, ooh I say come on This much is true This much is trueThis much is true This much is true Song Discussions is protected by U.S. Patent 9401941.
