If You Leave

Orchestral Manoeuvres In the Dark

If you leave, don't leave now Please don't take my heart away Promise me, just one more night Then we'll go our separate ways We've always had time on our side Now it's fading fast Every second, every moment We've gotta make it lastI touch you once, I touch you twice I won't let go at any price I need you now like I need you then You always said we'd still be friends someday If you leave I won't cry I won't waste one single day But if you leave don't look back I'll be running the other way Seven years went under the bridge Like time was standing still Heaven knows what happens now You've gotta say you willI'll touch you once, I'll touch you twice I won't let go at any price I need you now like I need you then You always said we'd meet againI touch you once, I touch you twice I won't let go at any price I need you now like I need you then You always said we'd still be friends I touch you once, I touch you twice I won't let go at any price I need you now like I need you then You always said we'd meet again somedayIf you leave If you leave If you leave Don't look back Don't look back
