

# Dance in the Water

Danny Brown

Can you work it  
Can you work it  
Break it down  
And just drop it low  
You deserve it  
You deserve it  
Get it out  
And let it all go  
Shake it  
Don't break it  
Bend over  
And touch yo toes  
You been waiting  
You been waiting  
Real playa  
Get down on the floor  
I know lately I know lately  
You been feeling  
Like you wanna let loose  
No debating  
No debating  
Do your thing  
And just do you  
No hating  
No hating  
Whatever it's  
All on you  
Put it on me  
Put it on me  
Lemme tell ya  
What we gon' do  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet

Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Is you wit it  
Is you wit it  
Lemme see you just  
Get get get it  
Get busy  
Get busy  
Back it up  
And just quit playing wit me  
If you want it  
If you want it  
It's all yours then  
Gone head and own it  
When you get it  
When you get it  
Go and give it to em right  
Cause you earned it  
Here we go now  
Here we go now  
Don't stop what you're doing  
Don't slow down  
Gone take that  
Gone take that  
Like P. Diddy  
Remix on a mixtape  
Better get back  
Better get back  
They ain't know  
You could do it like that  
Can I hit that  
Can I hit that  
Like a champion  
Boxing title match  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water

And not get wet  
Not get wet  
Not get wet Bring it back now  
Bring it back now  
Get into it  
And just put it back now  
It's like that now  
It's like that now  
Make a playa  
Wanna go say his wedding vows  
Don't stop now  
Don't stop now  
Keep it going  
Just gone head get down  
I mean right now  
I mean right now  
See you showing off  
Gone head show out  
Do you like that  
Do you like that  
Can't never fall off  
Get it right back  
I mean right back  
I mean right back  
Bout to body slam  
That like Ryback  
Gotta fever  
Gotta fever  
Only remedy is you  
And I need ya  
He a monster  
He a creature  
He a tie u up  
And then eat ya Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet  
Not get wet  
Dance in the water  
And not get wet  
Not get wet

Not get wet
