

# No Sweat

Jessie Reyez

Yeah, yeah, yeah, yeah, yeah, no sweat  
Na-na-na, na-naYah, girls on the floor got a thirty-point  
Lead and a minute left (Woo! You see the sweat?)  
Queen's on the team in real life,  
Not just on the internet (Woo! You see me, huh?)  
Yeah, you workin' hard for the tough spot, just watch it manifest (Uh)  
I'm a rose and a king at the same time; that's what a woman is (Yah)All strength  
We ain't stoppin', believe me  
Go straight  
'Til the mornin' don't like me  
Whoa, wait  
Yeah, we takin' everything we want, and we can do it  
All strength  
We ain't stoppin', believe me  
Go straight  
'Til the mornin' don't like me  
Whoa, wait  
Yeah, we takin' everything we want, and we can do it  
All strength, no sweat (No sweat)  
All strength, no sweat (No sweat, yeah)  
All strength, no sweat (No sweat)  
All strength, no sweat (No sw-)Yeah, yeah, uh  
I'll wake up an accountant if that's  
What I wanna do (Woo! You see me, right?)  
T-shirt, Chucks' and some Jewelry don't change  
Me 'cause I'm the truth (Woo! You see me, right?)  
And they're always scared of a feminist, what about solitude? (Woo!)  
But settling ain't in my language,  
Shout out to my Mama Dukes (Hola, mami)  
All strength  
We ain't stoppin', believe me  
Go straight  
'Til the mornin' don't like me  
Whoa, wait  
Yeah, we takin' everything we want, and we can do it  
All strength  
We ain't stoppin', believe me  
Go straight  
'Til the mornin' don't like me  
Whoa, wait  
Yeah, we takin' everything we want, and we can do it  
All strengthLet's pause for a pretty little moment

No sweat  
No sweat, hmm  
No sweat  
Na-na, na-na  
HahAll strength, no sweat (No sweat)  
All strength, no sweat (No sweat, yeah)  
All strength, no sweat (No sweat)  
All strength, no sweat (No sweat)
